

Dear Affiliate,

For 2018, the IMS Radio Network still requires stations to carry the Indianapolis 500[®], the Brickyard 400[®] and a minimum of three (3) Verizon IndyCar Series[®] races for a “no fees” basis. If your station only wants to broadcast the Indianapolis 500[®] and/or other IndyCar events, there are no other requirements or fees.

If your station (or station market group) is unable to carry the Indianapolis 500[®], the Brickyard 400[®] and a minimum of three (3) Verizon IndyCar Series[®] races, the Network will allow you to broadcast the Indianapolis 500[®], the Brickyard 400[®] and pay the IMS Radio Network a licensing fee of \$500.00. 50% of the \$500.00 is due with your contract and the remaining 50% is due by May 1, 2018. Fees are payable to: IMS Radio Network

The IMS Radio Network will provide up to two (2) General Admission race tickets (no assigned seat) and up to twenty (20) qualification tickets for the Indianapolis 500[®]. The IMS Radio Network will also provide up to two (2) reserved seat tickets to the Brickyard 400[®] and up to twenty (20) Brickyard 400[®] qualification tickets, which are also good for the Xfinity Series[®] race. You must carry the event and all ticket requests must be made when completing your contract and received before May 1, 2018.

Race promos, logos, race highlights for your sportscast, podcasts and other information will be available throughout the year at <http://indycarradio.com>

ATTENTION PERFORMANCE RACING NETWORK (PRN) AFFILIATES: You must have a contract with the IMS Radio Network to carry NASCAR's Brickyard 400[®] weekend broadcasts. Your PRN contract does NOT grant you permission to broadcast the NASCAR Monster Energy Cup[®] race nor the Xfinity Series[®] race at the Indianapolis Motor Speedway September 8-9, 2018. For permission to air a broadcast from the Indianapolis Motor Speedway requires a contract with the IMS Radio Network.

A station broadcasting or rebroadcasting an event from the Indianapolis Motor Speedway without a contract with the IMS Radio Network could result in a licensing fee of up to \$5,000.00.

Thank you very much for being a part of the IMS Radio Network. If you have any questions, please call me at (317) 523-6179.

Sincerely,

INDIANAPOLIS MOTOR SPEEDWAY RADIO NETWORK BROADCAST AGREEMENT **ONE STATION PER CONTRACT**

This agreement is entered into, between Indianapolis Motor Speedway Radio Network, a division of Indianapolis Motor Speedway, LLC, an Indiana Limited Liability Company, herein after referred to as ('Network') and

Company Name

d/b/a radio station _____ of _____ herein after
Call Letters *FCC Granted City of License** *State*

Referred to as ('Station'), agree as follows:

1. Station agrees to broadcast, over the radio broadcast facilities specified above and on page 4, the live coverage of each 2018 Event selected by Station on pages 3 of this Agreement (the "Selected Events"), as transmitted by Network.
2. If for any reason any Selected Event is rescheduled, postponed, suspended, or otherwise not officially completed, as determined by the rules and rulings of the race sanctioning body or other governing authority for that Event, on the date and time set forth in this Agreement, then all provisions of this Agreement will remain in full effect for and on the day(7) and time(s) such Event is run and until it is officially completed. If any Selected Event is officially terminated or canceled, the broadcast for that Event will be considered complete and Network's and Station's obligations hereunder will be deemed fulfilled with respect to that Event. Network reserves the right to cancel the broadcast of any Event for any reason and upon such cancellation, neither party will have any further obligations with respect to that Event.
3. Except as set forth below, Network will provide all Selected Events to Station by means of satellite transmission, unless Network determines that it is necessary or appropriate to use another means of transmission. Any expenses, for equipment or otherwise, related to the reception of the satellite transmission or other means of transmission will be borne by Station.
4. In exchange for Station broadcasting the Selected Events in accordance with this Agreement, Network will permit Station to broadcast Station-originated content, which may include commercial messages, during Network-provided commercial breaks in the coverage of each Selected Event. Network reserves the right to determine the precise time and duration of each break and the total number of breaks. Network will provide to Station in advance a Commercial Format containing the schedule of breaks for each Selected Event.
5. Station will identify IMS Radio Network as the originator of the broadcasts in all of Station's advertisements, in any advertising media, for its broadcast of Selected Events.
6. Station will provide a notarized affidavit as proof of performance of this Agreement to Network upon request.
7. This Agreement is subject to force majeure and is contingent upon strikes, accidents, acts of God, war, terrorism, civil strife, inability to secure labor, fire, applicable regulations, restrictions or rulings enforced by any government or governmental agency, or other delays beyond the control of the parties.
8. Station will not delete from its broadcast any portion of a Selected Event, including without limitation all Network commercials and all Network Identification, production credit and rebroadcast restriction announcements. Station will not make any addition to the Network's feed of an Event to Station, except during the above/mentioned Network-authorized breaks, without the prior written consent of Network. Portions of programming up to 2 minutes in length may be used in "regularly scheduled" news or sports reports. For such portions, the Network will receive an "on-air credit." Station will not otherwise record, rebroadcast, retransmit, or make any use of the Event transmission provided by Network, except as specifically permitted under this Agreement.
9. Network reserves the right to license the radio broadcast of events not selected by station under this Agreement, to any other station selected by network, including stations from its FCC city of license.
10. This Agreement may not be assigned by Station in whole or in part without written consent of Network. This Agreement, including other documents referenced herein, constitutes the entire agreement between the parties regarding the year's Events and cannot be amended except by their mutual written agreement. This Agreement will be governed by and construed in accordance with the laws of the State of Indiana, without regard to its provisions for conflicts of laws.
11. Acceptance of Station by Network as a broadcaster of Selected Events is subject to the final decisions of Network, as follows: Station must promptly return this Agreement to Network for acceptance or rejection by Network. If accepted by Network, a copy of this Agreement will be returned to Station by the Network.
12. Network reserves the right to terminate this Agreement, with or without cause, upon notice to Station. Such termination will not affect Network's rights under this Agreement as to acts or omissions of Station occurring prior to termination.
13. Station will indemnify and hold harmless Network, its officers, directors, agents, employees and advertisers (including advertising agencies) from any and all suits, claims, liabilities, damages, costs, reasonable attorney's fees and expenses arising from the broadcast or other use of any material furnished by Station with respect to or in connection with the broadcast of the Selected Events by Station; or arising out of acts or omissions of Station or its officers, directors, agents, employees, contractors, or subcontractors.
14. Station will give network prompt notice of any changes regarding the location of its office, transmitter, power, frequency, hours of operation or telephone numbers occurring during the agreement length.
15. Station warrants that all information which it filled in on pages 2 and 4 of this Agreement is complete and accurate and consistent with the station's FCC License.
16. THERE IS NO RENEWAL GUARANTEE. This Agreement represents the entire Agreement, either in writing or orally. All prior negotiations and understandings are abandoned or incorporated within.

* City of FCC License as shown in the current Broadcasting and Cable Yearbook.
